

Welltech Max™

Welltech Total Water Management are Australia's leading specialists in Construction Water Supply, so when you need an innovative solution to bulk water storage, our Welltech Max™ has you covered.

Why Welltech Max™:

- 420,000 litres storage capacity;
- Transports as a standard 40' shipping container and is deployed on site;
- No ground disturbance, no excavation, no legacy issues;
- Delivered, setup, and commissioned, in a single day;
- Increases logistical efficiency and improves environmental compliance;
- Unlimited onsite storage capacity (multiple units interconnecting);
- Our fast, highly skilled teams are available to mobilise our in-house fleet at a moment's notice;
- You can be assured we will deliver as promised and you will be supported by Welltech's guarantee of *Commitment = Satisfaction*.

Our success is built on our passion.

Commitment = Satisfaction

David Henderson

For over 30 years, David has been providing workable solutions in an industry that requires absolute commitment.

David takes full accountability and responsibility for each and every project, ensuring company values and promises are kept. This gives our clients confidence that we will make decisions and will provide answers when they need them.

David's training in project and contracts management delivers peace of mind that Welltech and our clients are all on the same page with a clear understanding of strict deadlines, as well as project compliance duties and responsibilities.

"If you can't find a solution elsewhere, you will find it here – guaranteed".

From an ambitious dream to reality.

Once committed, Welltech are renowned for being finishers.

"Our unwavering dedication and commitment to achieve the very best, drives us relentlessly towards the ever moving goal of absolute perfection."

CEO David Henderson

Commitment = Satisfaction
